December 2020

Princess Anne Masonic Lodge No.25 AF&AM

2849 Princess Anne Road, VB, VA, 23456

## From the East - *Final Address:*

 Brethren,

As I sit here on the back porch of my mountain retreat listening to the free flowing stream that's flowing nearby, I am reminded of the freedoms that we all enjoy which most of us take for granted. This is a bittersweet moment for me as *I write my last address from the East*. I am saddened by the fact that I feel like we could have accomplished so much more but I am happy and satisfied with

### Stated Restrictions

*25 Members Only*

all of the things we were able to accomplish as a lodge under some of the greatest restrictions we have faced in over a hundred years!

I began this year with the goal of bringing our consolidated lodges together. I am happy to report that I feel *we have joined together as one*

and have begun to mold a solid foundation to build on for years to come!!

Some of the things, we as a lodge, have been able to accomplish under these restrictions have simply been amazing. Together, *we have donated over \$400.00 to our Masonic Youth organizations. We donated to help an elementary student achieve and surpass his goal to support The American Heart Association*, and also helped him build his self esteem and taught him to always pursue his goals! *We supported the Girl Scouts* and helped them sell cookies and also collected enough donations to pay their troop dues for a year!! We came together to accept and meet the challenge from a out of state request to *feed the homeless with our hoagie sale fund raiser and fed over 100 people* in need of a meal, and raised funds to support other Lodge activities for our community. *We were able to give out a scholarship* to help a young lady achieve her goals! We published an updated lodge roster in print and electronic versions, the first in many years. We revamped the monthly Trestleboard and created the Beehive to keep members informed and involved in our lodge. *We have held food drives to help the CCUMC food pantry* in their time of need. We created a scholarship committee and set aside funds for the sole purpose of awarding scholarships for many years to come to our youth who apply. We set aside funds to be invested for our future Lodge needs to keep Princess Anne No. 25 alive and well for a lifetime. We created a grounds committee who will be responsible for bringing life to the many grounds projects that have been requested by many of you. And the list goes on! *We may have appeared dark for quite some time this year brethren but I assure you, your lodge has been very active behind the scenes.*

## From the East - Continued

Brethren, I did not accomplish these things. You did! I have done nothing more than listen to your requests over the years and tried to bring your ideas to life.

Without you, none of these things would not have happened. *One of the greatest lessons I have learned on my journey to the East is it is not one man that makes a Lodge, it is not the few line officers that gets things done, it is all of the brethren of the Lodge that makes the man in the East successful!* You all have inspired me and have kept me moving through these hard times. Your words and actions of encouragement have maintained to keep my head above water in the most devastating of floods. Without you I would not have made it.

I know that some of my decisions or some of my actions or comments most likely may have not sit well with some of you at one time or another this year. Just know that I have always had the Lodge as a whole on my mind in every decision I have made this year. I have always had the Lodge in mind for the long term.

Provided the ballot is approved you will have a new Worshipful Master on Dec. 2, 2020. *I can not say enough good things about Brother Jon Stone.* He has been and will continue to be a solid rock for our Lodge. I have every ounce of confidence he will be a great Worshipful Master and will continue to do great things for our Lodge. He will need our help and our support just as I did, and the many Worshipful Masters before me!

I can honestly say your entire line behind me is a solid line and will bring many great years to Princess Anne No. 25. These brethren have gone above and beyond for us and I believe we are lucky to have them!!

Once again, *I thank you for all of your support, wisdom, and patience with me this year and I will truly never forget my year as Worshipful Master for Princess Anne Masonic Lodge No. 25 A.F.&A.M.*

God bless you all

~ Craig Lowell, WM

## 50 Year Veterans

*One of the most difficult things I have had to endure this year is not being able to present our Masonic veterans* with their certificates for years of service to Freemasonry this year. Due to the restrictions we have been placed under and keeping the safety of our brethren in mind no certificates were presented in lodge this year. Instead I have consulted with Brother Jon Stone and have requested we hold a ceremony for our 50 year veterans next year once things ease up on our COVID restrictions! I feel this would be a good way to honor these brethren instead of just mailing them their certificates. More will follow on this as things progress.
